Customize your cable menu. Highly recommended, go to: www.tvlistings.zap2it.com

Benefits of a personalized Zap2it.com cable menu:

1. FREE. Can list only programs you watch. Can quickly see whats playing on each channel.
2. Can display up to Six Hours of programming at one time.
3. Interactive - can see movie ratings, names of talk show guests.
4. Can create a short cut on your computer start up screen; one click and see all programming.
5. Each occupant can create his or her personal program menu.
